The garden to the rear of the property is enclosed and thoughtfully designed to create a safe environment for children. The front of the property is situated away from the main road with a drive gate with easy access complementing plenty of parking space to accommodate staff and visitor parking to ensure the community is not disrupted in anyway. We also have the privilege of a double garage ready to be used as a meeting room for private meetings so not to overload the home with visitors relating to other professional's visiting the property.

The down stairs facilitates extra rooms to allow the young people to have charge of one large room to support them having a weekly group with activities being able to take place in a balanced area and safe environment, to include a mini gym and other activity based items.

They are furnished and equipped to a high standard, and decorated in consultation with the children/young people. Children at Osprey House do not share bedrooms. There will be a sleep bedroom upstairs and facilities for wake staff down stairs to continue with duties around the clock:

Upstairs has a separate chill area for the two young people bedrooms to support a calm environment and space for the house group providing areas of separation and timeout .

The main lounge is equipped with a TV, DVD player and a variety of games and DVDs. Also, there is a study room, which is equipped with desks, a P.C. [with restricted internet access], and books. The home has a communal dining room which has a homely, friendly atmosphere at meal times. The kitchen facility of a breakfast bar is fitted and will support young people in taking part in cooking and baking with the staff.

Where necessary, changes to the Placement / Risk Assessment are recommended and agreed with appropriate people, including the child/young person.

Any report from a child that indicates he or she went missing in response to being abused will be immediately reported to the appropriate Multi Agency Support Team [MAST] and OFSTED. Appropriate measures will be made to protect the child/young person.

Our approach encourages reparation and restitution and we seek not to allow negative behaviour to become the focus of attention. PCR staff will not make excessive, or unreasonable, use of sanctions or physical Intervention.

Physical Intervention (MAPA@ - the management of actual and potential aggression) is used only in specified circumstances i.e. to prevent likely injury to a child or to others, or likely serious damage to property. Statement of Principles

Pathway Care Residential believes that all children have the right to be protected from ALL forms of abuse, whether this be physical, sexual or emotional abuse or neglect. Our approach to all aspects of care delivery is Child-centred. With regard to Child Protection we firmly believe that the blame for abuse will rest solely on the abuser and that the welfare of the child will always remain centre-stage.

Concerns over the safety, or well-being of a child will never be ignored. Our Safeguarding procedures are consistent with the local policies and procedures agreed by the Local Safeguarding Children's Board [LCSB]

PCR is a Section 11 Children Act 2004 compliant service.

Osprey House Statement of Purpose

To define abuse, PCR has adopted the definition provided by the National Commission of Inquiry into the Prevention of Child Abuse, 'Childhood Matters':

"Anything which individuals, institutions or processes do or fail to do, which directly or indirectly harms children or damages their prospects of safe and healthy development into adulthood."

Policy Objectives

The policy provides detailed definitions of physical, sexual and emotional abuse, mental cruelty and neglect.

Also, the policy sets out clearly, and in considerable detail, which is responsible for dealing with suspected, or actual, incidents of abuse, defines how matters of abuse should be dealt with and provides supportive guidance to officers who may be involved in dealing with such matters.

Osprey House is very large and opens to the community from a main road, rather than lock the external doors during day, the front and back doors sound a noise which will then allow staff within the home to be alerted. We have alarms on bedroom doors, however the alarms will only notify staff a young person is up and out of their bedroom upstairs, and giving staff time to support them to ensure they are safe and well.

Our response to any allegation, or suspicion, is child-centred, transparent, swift and affirmative.

Copies of the PCR Safeguarding / Child Protection Policy are available upon request.

16. Bullying

The home is committed to providing a residential environment where young people can live safely, without the fear of oppressive behaviour from staff or peers through any form of bullying or intimidation.

- Identify, and action, positive alternatives for both victim and perpetrator to develop those skills necessary for positive relationships.

Also, children are supported and encouraged to take part in the reviews of their Care, Placement and Risk Management Plans.

For children that struggle to participate to engage in group processes [although they will receive ongoing support and encouragement], regular one-to-one Key Work sessions allow them to feed into the Home's decision-making processes. Through whatever channel, Osprey House staff are encouraged, and expected, to elicit the views of our children and to ensure these are taken into account in the day to day running of the home.
